CASE NO. 3:06-CV-07918 MMC

**DEFENDANT'S MOTION TO  
TRANSFER UNDER THE "FIRST-  
FILED" DOCTRINE**

Date: July 13, 2007  
Time: 9:00 a.m.  
Judge: The Hon. Maxine M. Chesney  
Ctm: 7

25 Defendant Hybrid Patents Incorporated ("Hybrid") hereby moves to transfer this case to  
26 the Eastern District of Texas under the "First-Filed" Doctrine. More than five months before  
27 Coxcom filed the present case, Hybrid filed a patent infringement suit in the Eastern District of  
28

1 Texas against several cable companies including Cox Communications, Inc., the parent  
2 corporation of Coxcom (the "First-Filed Case").<sup>1</sup> The First-Filed Case is pending before Judge  
3 Ward. Coxcom's suit here involves exactly the same patents and issues as are already before  
4 Judge Ward in the First-Filed Case.

5  
6 Furthermore, the same patents and the same issues are also involved in a related case  
7 entitled Hybrid Patents Incorporated v. Charter Communications, Inc., et al., C.A. No. 2:05-CV-  
8 436 TJW, also pending before Judge Ward in the Eastern District of Texas (the "Related Case").  
9 This case was filed more than a year before the present case. To date, substantial discovery has  
10 occurred in the Related Case, the claim construction hearing has occurred, and Judge Ward has  
11 issued a detailed claim construction order. The Related Case is set for jury trial beginning in July  
12 2007.

13  
14 Under the First-Filed Doctrine, Hybrid requests that this Court transfer the present case to  
15 the United States District Court for the Eastern District of Texas to be resolved as part of the First-  
16 Filed Case.

17 This motion is based upon the accompanying Notice of Motion, Memorandum of Points  
18 and Authorities in Support of this Motion, and the Declaration of Michael E. Wilson filed  
19 herewith.
